Our Hymn Sing is this Sunday at 5pm!

Our grateful thanks to Velura Perry for her steadfast and compassionate leadership of the FUEL program.

Seeing a vital need to help children and families with food insecurity in our community, especially on the weekends, Velura Perry founded the Redeemer FUEL program which packs and delivers hundreds of bags of groceries every week to children in the Newton public schools as well as the Epiphany School and St. Stephen's afterschool program. After five years of building and growing the program with loving care and unflagging attention (not to mention hard work), Velura is retiring from her position as head of the FUEL program. Rev. Mike honored Velura during last Sunday's service. To read the tribute given at Sunday's service, [click here](#).

A new note for Sunflowers for Ukraine

“How are your sunflowers growing?”

By now all seeds should have germinated. If they have not , then water them more often! If you have several seedlings in a pot, it is time to weed out some - saving one of two per pot. It is still too cold to put them out so keep them in a sunny spot and water.

It is good to wait until Memorial Day to plant them outside when there is no frost. It might also be good to put some wire around them so the bunnies won't eat them. As they get bigger, you should stake them to give them support.

Remember to say the prayer and think about the people in Ukraine. Questions? Email [Anne Grandin](#) or sunflower expert: [Chuck Farber](#)

Rev. Mike Dangelo's Prayer

Dear God, Ruler of the Nations and Prince of Peace,

We give you thanks for the good earth warmed by the coming of spring and the gentle rains which water it. We thank you for these seeds which hold within themselves the secret life that will soon break forth into holy light. As we plant these seeds we remember before you the people of Ukraine who claim this flower as a symbol of their nation. We ask you, Gracious Lord, to break the sword of war in their land, and restore the homes and lives destroyed in violence. May these flowers bloom, and in them may we know the hope of your risen Son our savior Jesus Christ in whose name we pray. Amen.
