Got Dental Care?

Not all FUEL students have dental care. We would like to give every **FUEL** student some dental care.

If you would like to support **FUEL's** project, stop by the Parish Hall during the coffee hour this Sunday (February 11) to help fill a dental

bag. One dollar (\$1.00) will provide a toothbrush or toothpaste or dental floss; three dollars (\$3.00) will fill a bag! We have the items but could use your support.

You can even check out our Rector's teeth (see one above)!

FUEL news

At last, FUEL and the Newton public schools have returned to normal. Many of you asked what you could do to help the students during the strike. Just before it began, we notified all our school contacts that we would be ready to pack bags as needed. Last week,

with the help of staff, Newton Neighbors Helping Neighbors, and the FUEL team, we prepared 200 bags for delivery to students. The Neighbors group delivered about 150 bags to identified families throughout the system. It was rather exciting figuring out how to pull this off - but we did. Thank you to the ever ready FUEL team!

We are going to leave FUEL supply lists on the table by the Rector's Office. We appreciate all your donations as it helps us offset the weekly food costs.

In the coming weeks, we will use the weekly email to tell you a little bit more about our school partners ... and our drivers.

Help us celebrate the beginning of Lent!

The Philadelphia Eleven

**A Screening of *The Philadelphia Eleven*
Sunday, February 25th at 2pm
Coolidge Corner Cinema**

In 1974, a group of eleven women were ordained to the Episcopal

priesthood in Philadelphia, despite a prohibition in the constitution and canons of the Episcopal Church. At the time only men were eligible for ordination. This dramatic act seemed to break the so-called stained glass ceiling, giving hope to Christian women everywhere. This story is told in a compelling new documentary *The Philadelphia Eleven*.

This film tells a story that continues to resonate today as women seeking ordination continue to face resistance, disrespect and exclusion from roles reserved by men for men. The documentary explores the lives of these remarkable women who succeeded in transforming an age-old institution despite the threats to their personal safety and the risk of rejection by the church they loved. These women became and remain an inspiration for generations of women in the ministry, and a clarion call for the entire Christian Church.

A discussion with filmmaker Margo Guernsey and others linked to this historic event will follow the screening. This film is sponsored by All Saints Parish and the Charles River Deanery.
