A Well-Deserved Thank You!

Gala Watch Party Organizers Debby Mills (left) and Sarah Allen (right)

Thank you to everyone who made Epiphany's Gala last Friday a success, including Sarah Allen who spearheaded the Redeemer's Watch Party and Debby Mills who helped with the details! The Watch Party was a great fellowship event and an opportunity to learn more about Epiphany's impactful work.

If you missed it, **you can watch the live-streamed** portion of the event [HERE](#), and if you would like to support Epiphany's work, you can donate via the Redeemer's "virtual table" [HERE](#).

Thanks to YOUR generosity, and students, families and the entire Epiphany community will benefit! Thank you for loving your neighbors, and keeping them in your prayers!

FUEL Groceries for Families in Need

We need your help to get to the end of the school year!

FUEL volunteers pack and deliver hundreds of bags of groceries every week and we rely on your donations of food and your help packing the bags.

As the school year winds down, so does FUEL. We need your help,

however, to get to the end of the school year. **We especially need boxes of cereal, either 10-12 oz. or individual serving boxes. Cans of tuna are also in short supply** as we pack 140 cans every other week.

[Please sign up here](#) to sort and pack when you can. There are many opportunities available in the final five weeks. Thank you!

Seeking New Residents for Trinity House Supported by the Redeemer's Strategic Ministries

Trinity House in Newton Centre is an intentional community of BC grad students, that has openings for next year!

Trinity House grew from a collaboration of Trinity Newton Centre, Redeemer, ECBC, and the Episcopal non-profit Creche (The Charles River Episcopal Co-Housing Endeavor). Creche plants and supports intentional communities in partnership with Episcopal parishes, and Trinity House is one of its three current communities. Each home establishes its own rhythms and covenant within the framework of Creche's covenant of communal living. If you are interested in learning more about Trinity House, intentional communities, or Creche, contact Jeff@creche.community or Megan at Megan.holding@bc.edu.

**Join Barrie Rose for Embodied Prayer
Wednesdays ~ 5:30-6:30pm & Thursdays ~ 10:30-11:30am
in the Undercroft**

Sela is an embodied prayer class inspired by the western spiritual tradition. It longs to retrieve and bring into the 21st century "secular age" the riches of the Christian contemplative tradition to the common person who longs for a deeper connection to his/her depths as well as the heights of transcendence. We long for these riches (embodied prayer postures and contemplative methods etc.) to be a light to a western world that is dying for spiritual food, bodily connection, human community, and psychological healing.

The class is held Wednesdays from 5:30-6:30pm and Thursdays from 10:30-11:30am in the undercroft of the church. We have our base flow/curriculum based on the Christian theologian St. Dominic's (1170-1221) *Nine Ways of Prayer*.

Everyone is welcome (12 and up) please bring comfortable exercise clothes (since the class is movement-based) as well as a heart open to engage God in prayer in and through the body and breathe. If you have a yoga mat you would like to bring feel free to bring it, we also have Sela mats, blocks, and straps available on site.

Barrie Rose is teaching the Sela class. She has a background in dance as well as in teaching ballet, she is a certified yoga instructor (trained in Nepal) and has a master's degree in spirituality (from Boston College).

**Rev. Mike Dangelo will be preaching at St. Stephen's
Episcopal Church on May 22nd**

For those of you who would like to see the service and hear Mike's sermon, it will be streamed on the St. Stephen's website.

A new note for Sunflowers for Ukraine

"How are your sunflowers growing?"

By now all seeds should have germinated. If they have not, then water them more often! If you have several seedlings in a pot, it is time to weed out some - saving one or two per pot. It is still too cold to put them out so keep them in a sunny spot and water.

It is good to wait until Memorial Day to plant them outside - when there is no frost. It might also be good to put some wire around them so the bunnies won't eat them. As they get bigger, you should stake them to give them support.

Remember to say the prayer and think about the people in Ukraine. Questions? Email [Anne Grandin](#) or sunflower expert: [Chuck Farber](#)

Rev. Mike Dangelo's Prayer

Dear God, Ruler of the Nations and Prince of Peace,

We give you thanks for the good earth warmed by the coming of spring and the gentle rains which water it. We thank you for these seeds which hold within themselves the secret life that will soon break forth into holy light. As we plant these seeds we remember before you the people of Ukraine who claim this flower as a symbol of their nation. We ask you, Gracious Lord, to break the sword of war in their land, and restore the homes and lives destroyed in violence. May these flowers bloom, and in them may we know the hope of your risen Son our savior Jesus Christ in whose name we pray. Amen.
