**Help Feed BC Students during their Finals Week**

We are thrilled that Redeemer will again be hosting BC students during the upcoming finals period! -- and we are looking for volunteers to help feed those students! If you are able to provide dinner for approximately 10 students (served around 6:00 pm each evening) on any evening between Friday May 6th and Sunday May 15th, please email BC Chaplain Megan Holding at [megan.holding@bc.edu](mailto:megan.holding@bc.edu)

Redeemer's gift of warm hospitality is so appreciated by the students, and is a wonderful gift to them and to the Diocese's efforts to minister to and with our young adults! Many, many thanks!

## **We need your help to get to the end of the school year!**

FUEL volunteers pack and deliver hundreds of bags of groceries every week and we rely on your donations of food and your help packing the bags.

As the school year winds down, so does FUEL. We need your help, however, to get to the end of the school year. **We especially need boxes of cereal, either 10-12 oz. or individual serving boxes. Cans of tuna are also in short supply** as we pack 140 cans every other week

OTHER WEEKS:

[Please sign up here](#) to sort and pack when you can. There are many opportunities available in the final five weeks. Thank you!

### **Seeking New Residents for Trinity House Supported by the Redeemer's Strategic Ministries**

Trinity House in Newton Centre is an intentional community of BC grad students, that has openings for next year!

Trinity House grew from a collaboration of Trinity Newton Centre, Redeemer, ECBC, and the Episcopal non-profit Creche (The Charles River Episcopal Co-Housing Endeavor). Creche plants and supports intentional communities in partnership with Episcopal parishes, and Trinity House is one of its three current communities. Each home establishes its own rhythms and covenant within the framework of Creche's covenant of communal living. If you are interested in learning more about Trinity House, intentional communities, or Creche, contact [Jeff@creche.community](mailto:Jeff@creche.community) or Megan at [Megan.holding@bc.edu](mailto:Megan.holding@bc.edu).

**Join Barrie Rose for Embodied Prayer**

**Wednesdays ~ 5:30-6:30pm & Thursdays ~ 10:30-11:30am  
in the Undercroft**

Sela is an embodied prayer class inspired by the western spiritual tradition. It longs to retrieve and bring into the 21st century "secular age" the riches of the Christian contemplative tradition to the common person who longs for a deeper connection to his/her depths as well as the heights of transcendence. We long for these riches (embodied prayer postures and contemplative methods etc.) to be a light to a western world that is dying for spiritual food, bodily connection, human community, and psychological healing.

The class is held Wednesdays from 5:30-6:30pm and Thursdays from 10:30-11:30am in the undercroft of the church. We have our base flow/curriculum based on the Christian theologian St. Dominic's (1170-1221) *Nine Ways of Prayer*.

Everyone is welcome (12 and up) please bring comfortable exercise clothes (since the class is movement-based) as well as a heart open to engage God in prayer in and through the body and breathe. If you have a yoga mat you would like to bring feel free to bring it, we also have Sela mats, blocks, and straps available on site.

*Barrie Rose is teaching the Sela class. She has a background in dance as well as in teaching ballet, she is a certified yoga instructor (trained in Nepal) and has a master's degree in spirituality (from Boston College).*

**Sunflowers for Ukraine** As your sunflower seeds germinate and grow during Eastertide, please continue to gather your family and say the prayer below in support of the Ukrainian people. If you would like some sunflower seeds and a pot, please email [Anne Grandin](#).

*Rev. Mike Dangelo's Prayer*

*Dear God, Ruler of the Nations and Prince of Peace,*

*We give you thanks for the good earth warmed by the coming of spring and the gentle rains which water it. We thank you for these seeds which hold within themselves the secret life that will soon break forth into holy light. As we plant these seeds we remember before you the people of Ukraine who claim this flower as a symbol of their nation. We ask you, Gracious Lord, to break the sword of war in their land, and restore the homes and lives destroyed in violence. May these flowers bloom, and in them may we know the hope of your risen Son our savior Jesus Christ in whose name we pray. Amen.*
