From the Rector: A note on Communion

It is with great joy that I write this morning to let you all know that

with great joy, and I write this morning to let you all know that we are returning wine to all services of Holy Communion going forward. You may have noticed this at Sunday's Palm Sunday service as we gave it a "test run."

Wine will be offered for intinction only for the time being. LEMs will offer the wine via intinction cup after the bread is offered. Please make sure to mind your fingers as you dip your wafer into the cup!

I have been eagerly awaiting this moment in particular for every Sunday of the last two years. Thank you for your faithful patience.

In Resurrection Hope,

Mike+

**Join Barrie Rose for Embodied Prayer
Wednesdays from 5-6pm & Thursdays from 10-11am
In the Undercroft**

Sela is an embodied prayer class inspired by the western spiritual tradition. It longs to retrieve and bring into the 21st century "secular age" the riches of the Christian contemplative tradition to the common person who longs for a deeper connection to his/her depths as well as the heights of transcendence. We long for these riches (embodied prayer postures and contemplative methods etc.) to be a light to a western world that is dying for spiritual food, bodily connection, human community, and psychological healing.

The class is held Wednesdays from 5-6pm and Thursdays from 10-11am in the undercroft of the church. We have our base flow/curriculum based on the Christian theologian St. Dominic's (1170-1221) *Nine Ways of Prayer*.

Everyone is welcome (12 and up) please bring comfortable exercise clothes (since the class is movement-based) as well as a heart open to engage God in prayer in and through the body and

heart open to engage God in prayer in and through the body and breathe. If you have a yoga mat you would like to bring feel free to bring it, we also have Sela mats, blocks, and straps available on site.

Barrie Rose is teaching the Sela class. She has a background in dance as well as in teaching ballet, she is a certified yoga instructor (trained in Nepal) and has a master's degree in spirituality (from Boston College).

Sunflowers for Ukraine As your sunflower seeds germinate and grow, please continue to gather your family and say the prayer below in support of the Ukrainian people.

Rev. Mike Dangelo's Prayer

Dear God, Ruler of the Nations and Prince of Peace,

We give you thanks for the good earth warmed by the coming of spring and the gentle rains which water it. We thank you for these seeds which hold within themselves the secret life that will soon break forth into holy light. As we plant these seeds we remember before you the people of Ukraine who claim this flower as a symbol of their nation. We ask you, Gracious Lord, to break the sword of war in their land, and restore the homes and lives destroyed in violence. May these flowers bloom, and in them may we know the hope of your risen Son our savior Jesus Christ in whose name we pray. Amen.
