Sunflowers are the National flower of Ukraine. They symbolize peace, hope, solidarity and happiness. After church this Sunday, April

3 come to the parish hall and plant a seed in a biodegradable pot. Take it home, water and watch the seed grow. Find a time every day to gather your family and say a prayer for the people of Ukraine. After no danger of frost, plant the sunflower outside and it should grow to 6 feet! All ages welcome! We have directions on how to grow the sunflower and experienced gardeners on hand if you want to ask questions

Becoming Beloved Community on Thursday Evenings

A Lenten Look at Truth, Reconciliation and Repair

We find ourselves once again in uncertain times. Lent provides us the annual opportunity to prepare our souls for the coming of Easter with prayer, scripture, conversation and introspection. This Lent, thanks to a new Lenten series from the Episcopal Diocese of Massachusetts, we at the Redeemer will be looking at what it means to be a church that is up to the business of truth, reconciliation and repair. How do we make sense of our world? How can we be a people of truth amidst a myriad of "truths?" How can we be bringers and seekers of real reconciliation? And what does repair look like, both personally and communally?

Please join Rev. Mike Dangelo at the Redeemer or via ZOOM on Thursdays at 7pm as he leads us in this challenging and encouraging Lenten season.
